Course Description
Chinese 2 is a continuation of the skills introduced in Chinese 1.
In alignment with the Massachusetts World Language Frameworks and the city of Boston World Language Curriculum Framework, the Chinese 2 course is designed to allow students to complete all Stage 2 activities in the six areas of the city curriculum: reading, writing, speaking, listening, culture and connecting. Students are expected to perform with confidence in tasks of increasing difficulty so that they can meet the power standards listed below for Level 2 and develop answers to the Essential Questions below based on the national standards for learning a foreign language (culture, connections, comparisons, communities and communication). Teachers are expected to conduct the class 90% of the time in the target language, using English when necessary for clarification.

Essential Questions
1. How will I express myself in the target language?
2. When do mistakes interfere with communication? Does practice make perfect?
3. What do I do when my ideas are more sophisticated than my ability to communicate them?
4. What is a culture? What is the connection between a people’s perspectives, practices, products and their language?
5. What is the connection between the study of a world language and other content areas?
6. What are the strategies that individuals use to learn a world language? How do these strategies help them learn in other content areas?
7. Why is it important to access primary information in the target language?
8. What impact do geography, culture and language have on who we are?
9. How do history, literature and the arts influence and reflect a society and its culture?
10. How does studying another culture make one understand and appreciate his/her own?
11. How will my knowledge of English grammar (and Latin) possibly help me learn the target language?
12. What difference does the study of a World Language make in an individual’s life?
13. What does it take to become a global citizen?
14. How does the study of another language and culture make the world smaller?
15. Where does this language live in my community?
